

Laxminarayan Sahoo
Associate Professor
Department of Computer and Information Science
Raiganj University, Raiganj 733134, West Bengal, India

E-mail: LXSAHOO@GMAIL.COM,

WhatsApp: +919932337688

Academic Qualification: M.Sc., PhD, NET (CSIR), GATE (IISc. Bangalore), AIR-41

Title of The PhD Thesis: Studies on reliability optimization problems by Genetic Algorithm

PhD Supervisors: Prof. A. K. Bhunia, Department of Mathematics, The University of Burdwan, WB.

Late Prof. Dilip Roy, Centre for Management Studies, The University of Burdwan, WB

Fellowship Received: MHRD fellowship from Department of Computer Science and Engineering, IIT ISM Dhanbad, India for M. Tech Program.

Awards and Recognition: Received Prof. M. N. Gopalan Award for Best Ph. D thesis in Operations Research (2012)

Specialization: Advanced Optimization and Operations Research

Research Interests: Reliability Optimization, Evolutionary Computations, Interval Mathematics and Optimizations, Fuzzy Decision Making & Multi-Criteria Decision Making under Uncertain Environment, Operations Research, Game Theory, Inventory Control, Search Engine Optimization, Graph Theory, Artificial Neural Network and Machine Learning, Graph Theory, Data Analytics, Wireless Sensor networks, Distributed network Systems etc.

Research Project: 01 (Completed), Sponsored Agency, UGC, Govt. of India.

PhD Guidance:

Sl. No.	Name	Title of the Thesis	Name of the University & Department	Status
1.	Avishek Banerjee	Studies of some evolutionary algorithms and applications in reliability optimization	Jadavpur University, Department of Information Technology	PhD in Engineering, Completed (2019)
2.	Subhradeep Maitra	Studies on some search engine optimization techniques and its applications during Covid-19 Pandemic	Raiganj University, Department of Computer and Information Science	PhD in Science, Completed (2023)
3.	Supriyan Sen	Modeling and optimization of some network design problems under uncertainty	Raiganj University, Department of Computer and Information Science	PhD in Science, Pursuing

4.	Rakhi Das	A study on optimal path selection of some special graphs	Raiganj University, Department of Computer and Information Science	PhD in Science, Pursuing
5.	Sanchita Guchhait	A study on homophily detection in social networks using dynamic centrality	Raiganj University, Department of Computer and Information Science	PhD in Science, Pursuing

Reviewing of research papers: Reviewed a number of research papers of Computers & Industrial Engineering (Elsevier Science), Applied Mathematics and Computation (Elsevier Science), International Journal of System Assurance Engineering & Management (Springer), Neural computing & Applications (Springer), IIE Transactions (Taylor and Francis) Journals, IJLSM (Inderscience), IJOR (Inderscience), IJMOR (Inderscience), Scientia Iranica, AIMS Mathematics, MDPI, Mathematical Problems in Engineering (Hindawi) etc.

Editorial Board Member: Academic Editor, Mathematical Problems in Engineering, Hindawi

Fellow Member: ISROSET Fellow, ISROSET-FM-1159
