## About us

Raiganj University is a socially responsive, publicly accountable and innovative academic institution founded on the lofty vision of 'inclusive education and 'community development'. We aim to enrich the present and future generations with the values of sustainable development, responsible citizenship and equal opportunity for all. We focus on imparting quality education, especially to the socially, economically and educationally backward community. We create, preserve and disseminate knowledge to ensure the physical, emotional, intellectual, and spiritual development of an individual. We are knowledge-based and student centred.
